

# LED LOADING BAY DOCK LIGHT

The Ritelite LED loading bay dock light offers users a high quality, highly durable LED alternative to previous halogen models with increased lumen output, increased robustness and a solution that is virtually maintenance free.

## KEY FEATURES

- Minimal power consumption
- Maintenance free – 50,000 hour life
- High output LED's – 2850 lumen output!
- Fixed focus flood
- Compact head design to reduce possibility of impact damage
- Suitable for food grade applications – polycarbonate lens – No glass!
- IP65 LED head – Dust tight and able to withstand water.
- Suitable for input voltage of 240V AC
- Shock and vibration resistant
- Compact, foldable design enables light to be folded back against the wall of the dock when not in use.
- Moves in 2 planes and pivots at 3 points to allow user to easily and accurately position light where required for maximum control of light.
- All components made from high quality materials to ensure maximum life in arduous conditions
- Smooth friction based infinite adjustment of head and arm also allows the light to deflect out of the way if pushed from passing loads
- Connection to mains supply via 5amp fuse
